## **MATERIAL SAFETY DATA: TOPOISOMERASE I ASSAY KIT**

### **CATALOG NUMBER: TG1015-1, TG1015-2**

#### 1. Product Identification

Topoisomerase I Assay Kit is a purified bioassay kit for use in the identification of topoisomerase I activity (a protein that regulates tumor growth in cancer).

#### 2. Hazard Identification

Material is non-hazardous, non-infectious, and non-toxic.

#### 3. Composition

This Kit contains the following reagents in aqueous buffers:

- Supercoiled pHOT-1 DNA in TE buffer (0.25 ug/ul)
- Relaxed pHOT-1 DNA marker in gel loading buffer (0.05ug/ul)
- Assay Buffer (1ml of 100 mM Tris-HCl, (pH 7.9), 10 mM EDTA, 1.5 M NaCl, 1% BSA, 1 mM spermidine, 50% glycerol)
- 5x Stop buffer/gel loading dye

#### 4. First Aid Measures

In case of contact with skin, wash immediately with soap and water. In case of contact with eyes, flush with water and seek medical advice if discomfort persists.

#### 5. Fire Fighting Measures

Extinguishing media: water spray, carbon dioxide, dry chemical powder or foam as required.

#### 6. Accidental Release Measures

Wear appropriate protective clothing. Absorb onto sand or vermiculite and place in closed container for disposal.

#### 7. Storage and Handling

The products should be stored at 4 C. Products are stable for short periods at ambient temperature. Avoid multiple freeze/thaw cycles. Special requirements: heat sensitive. Avoid contact with eyes, skin, and clothing.

#### 8. Exposure Controls and Personal Protection

Wear gloves and appropriate protective clothing to avoid contact with skin and eyes.

#### Product Application and Disclaimer

This product is not licensed or approved for administration to humans or animals. It may be used with experimental animals only. The product is for in vitro research diagnostic studies only. The product is non-infectious and non-hazardous to human health. This information is based on present knowledge and does not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. TopoGEN, Inc. shall not be held liable for product failure due to mishandling and incorrect storage by end user. TopoGEN's liability is limited to credit or product replacement.

9. Physical and Chemical Properties

Aqueous liquids.

10. Stability and Reactivity

Stable. The possibility of reaction with other substances cannot be excluded.

11. Toxicological Information

Some constituents may cause skin or eye irritation.

12. Ecological Information

No environmental hazard is anticipated provided that the material is handled and disposed of with due care and attention.

13. Disposal Considerations

Dispose of in accordance with local rules and regulations.

14. Transport Information

Not subject to transport regulations.

15. Regulatory Information

Ingredients are not classified as dangerous or toxic according to US Classification. Harmful if swallowed. Products are for in-vitro use only and not certified for use with humans.

16. Other Information

The above information is believed to be correct but does not purport to be all-inclusive and shall only be used as a guide. TopoGEN, Inc. and its officers, employees, and agents shall not be held liable for any claims brought by third parties due to damage resulting from handling or contact with the above product.
